Spotlight Earned

Here we stand with eyes aglow,
Having learned things we didn't know.

Our hearts are pounding and throats are dry-
We've had our times to laugh and times to cry.

Here we stand in the spotlight,
Coming thru this stage of life.

The years we've spent to earn this light
Have come thru trials of day and night.

We've acted out our roles and parts
And have even won a few hearts.

Our work was hard and long.
We finally learned, "where we belong."

VOLLEYBALL

The 1984 volleyball team had a real good season finishing with a 8 win and 12 loss record, however, several of the losses were to higher classification competition. They were 3 and 3 in District, finishing in second place, earning the right to advance to post-season competition. They then won their bi-district game, but lost in area.

The 1984 Wildcats displayed a great deal of courage and unity. The team fought hard and left a lasting impression on each and every opponent. this year's Wildcats may best be symbolized by the motto: ''Winning isn't everything - but wanting to . . . is!''

BASKETBALL 1984-85

The 1984/85 Lady Wildcats basketball team had a highly successful season, finishing with a 18 win - 8 loss record. They won 1st place in the Irion Co. tournament, 3rd place in the Robert Lee tournament, and won the Consolation bracket in the Sterling City tournament. They finished in 2nd place in district with a 8-win, 2-loss record, earning the right to participate in a post-season playoff game, losing to a very fine Goldthwaite team. Janet Glass and Penny Shelton made 1st string All-District, while Susan Bailey, Coleen Glass, and Margo Smith gathered in Honorable Mention Honors.

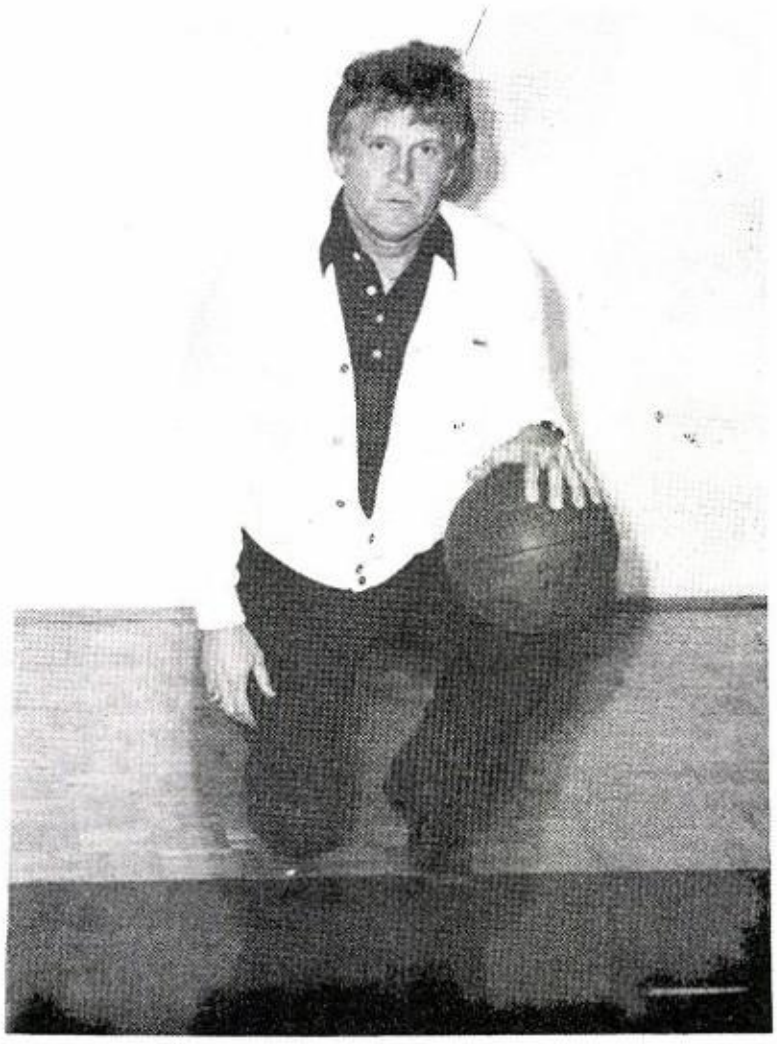
JUNIOR VARSITY: L to R: Cindy Turner, C.C. Vasquez, Andrea Lemmons, Cathy Scott, Tonya Franke, Angie Lemmons, Coach Bobby Loy.



As I look upon the 1984-85 Junior Varsity Basketball team, this was a team that was totally and unselfishly dedicated to the Varsity program. It was a team that showed much improvement from the outset of the year.

This team, at all times, gave 100%, even though we were thin in the ranks after we moved some Junior Varsity players to the Varsity as replacements. I will always remember this team as I continue my endeavor as a coach and hope that this inspiration and dedication can and will continue to be an asset to the Water Valley High School athletic program.

—Coach Loy

The Wildcat basketball players experienced a successful basketball campaign. They played with tremendous hustle and excitement that was enjoyable to all. This year's team knows that they were the best and their overall record against district opponents proves it.

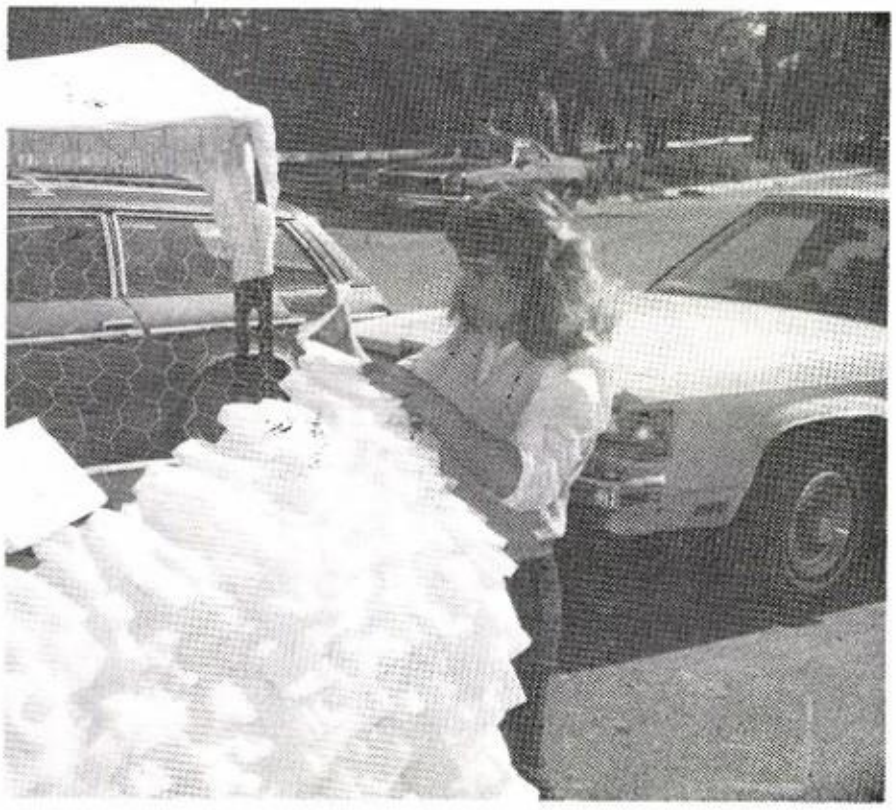
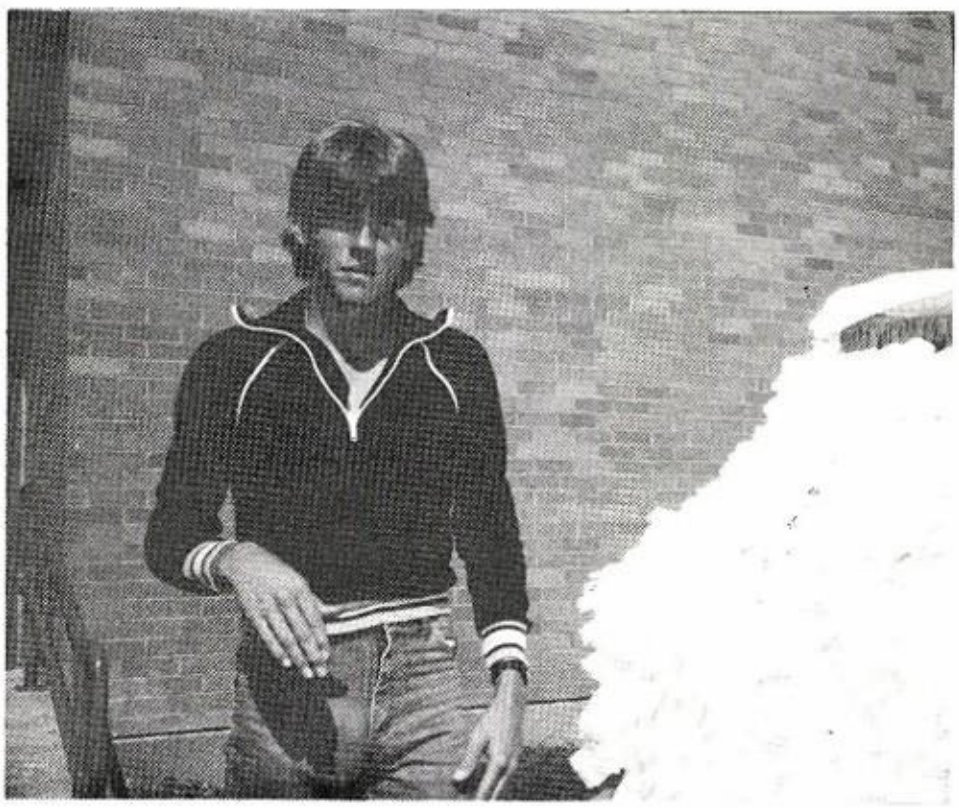
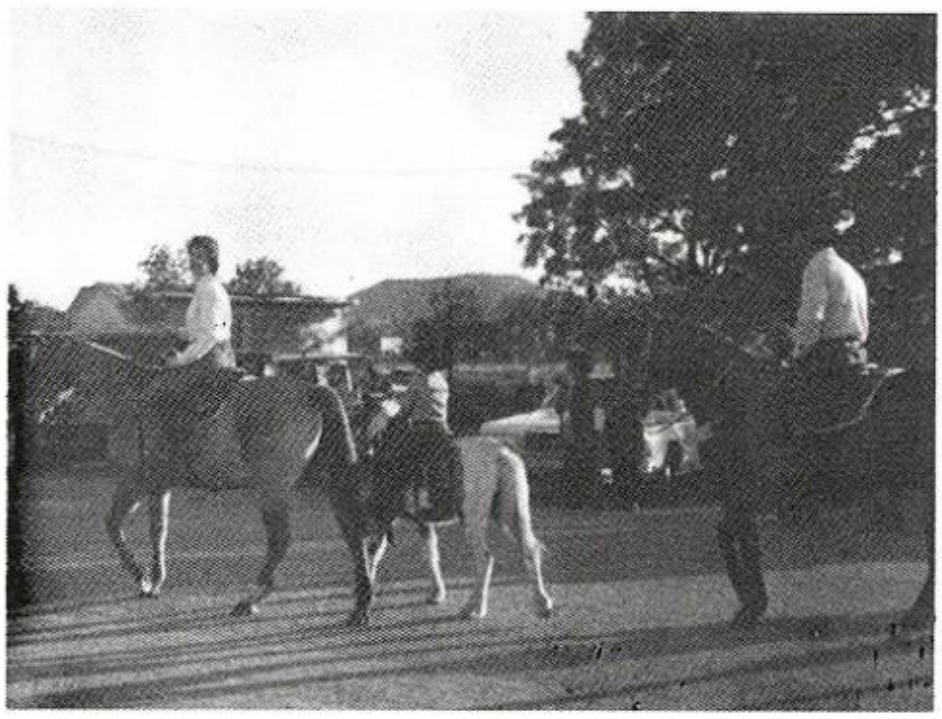
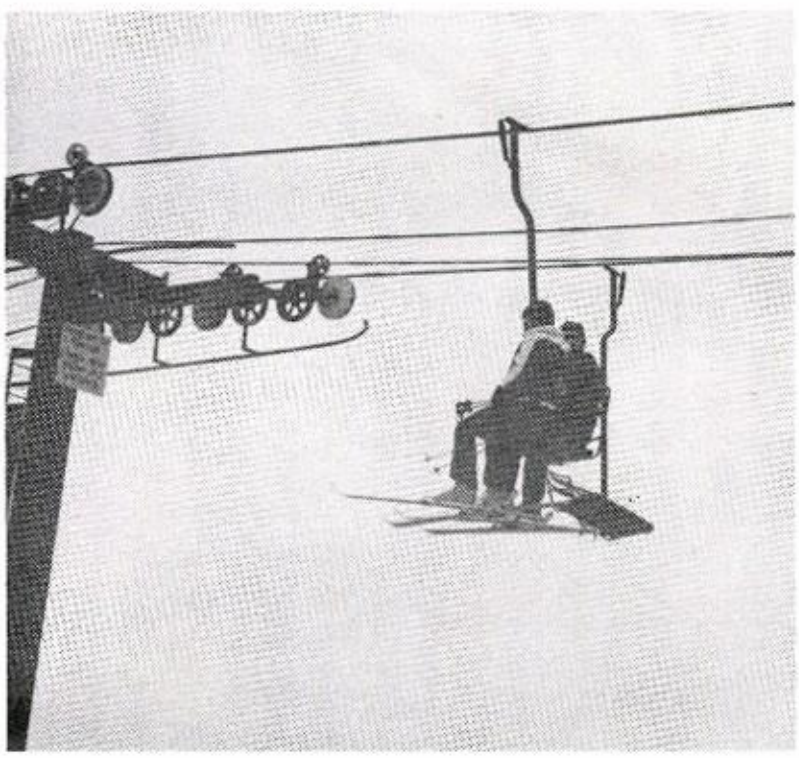
. . . FIRST TIME IN W. V.







Senior Trip '85



Well, the years of hard labor finally paid off. On Friday, March 8, 1985, the Senior Class left for Colorado on their Senior Trip. They arrived in Winter Park on Saturday, around 10:00 a.m. Not wanting to waste any time, everyone got their equipment and hit the slopes. (Some of them literally ***hit*** the slopes.) The next two and a half days were filled with snow, skiing, shopping, fun, and friends. The memories of the scenery, the friends, and the good times created on this trip will last forever.

Jerry,

- May 24 -

I never thought that our relationship could ever be as great as it has been these last 3 months + now. I used to hope that we'd be together + now I don't have to hope anymore. Thanks to you. I'm so glad that me + you didn't give up. I guess that you were worth the wait. :)

I hope that we can last for a long time! I've never cared for anyone like I care for you. No one has ever been this special to me!!

I'm glad that you did so good in football this year. I hope you let it take you as far as it can. you have all my luck. And I know you'll do even better next year.

We've had some really rough times but hopefully we can leave those in the past + only remember all of the good times.

Jerry, (my best friend)

Well, it looks like were gonna be seniors togther. Arent you proud of me. And to think you are the one to talk me into going back to school. Jerry you have helped me through more very tough times & I didnt listen to you like I should have the most. I really appreciate everything you have done for me. And I think of you just like a big brother. you have always been there for me, when I needed you most. just like a brother does for his sister. Im glad we have such a fantastic friendship. If anyone should hate me it should be you cause I treated you so badly. But I appreciate you standing by my side. I hope we stay friends forever. I would also like to tell you Im very proud of you, keep up the good work & you will acheive all of your dreams. Remember what Tammy like a lady like I have taught you. She is a good person & she →

Spotlight Earned

Here we stand with eyes aglow,
Having learned things we didn't know.

Our hearts are pounding and throats are dry-
We've had our times to laugh and times to cry.

Here we stand in the spotlight,
Coming thru this stage of life.

The years we've spent to earn this light
Have come thru trials of day and night.

We've acted out our roles and parts
And have even won a few hearts.

Our work was hard and long.
We finally learned, "where we belong."
